- ❖ Fitters list of all my suggested products for the install
- ❖ 1 further site visit or zoom meeting

Copper Option:

- ❖ This is to include design and organisation of supply of the products for each project as agreed with the client.
- ❖ The budget will be confirmed with the client and products suggested to suit this budget.
- ❖ Contracts for supply will be with the individual manufacturers, fabricators and suppliers not with Copper Pebble Interiors.
- ❖ Each product also comes with its own guarantee.

- ❖ The price will be £350 and include the Nickel option
- ❖ All products will be priced as an estimate and then a quotation.

Any additional visits during the project I charge at £50 which covers my petrol and time.
You can choose the bronze option and then move to the Nickel or Copper option.

I also can supply soft furnishings, lighting, blinds, tables, flooring, reupholstering services, wallpapers and from experience on the supply of these items I am more competitively priced as the lady I use is independent like myself.
